- **NORAD & USNORTHCOM (N-NC) Curriculum Updates**
- **N-NC Joint Training & Education Day – 12 Jun 2007**
  - **Agenda**
- **Homeland Security Defense Education Consortium (HSDEC)**
- **Questions**

NORAD & USNORTHCOM Curriculum Updates

- **PURPOSE:** Offer professional expertise to all Service School Institutions and Academies by providing assistance in keeping curriculum as up-to-date as possible in any subjects or courses that include instruction dealing with NORAD and USNORTHCOM

- **HOW:** Through coordination and collaboration with the Military Education Coordination Council (MECC) and their representatives

- **BENEFITS:**
  - Ensures primary point of contact for syllabi, curricula or programs of instruction regarding N-NC is involved
  - Allows ongoing coordination to ensure N-NC material remains accurate and updated with automatic updates to the POC as soon as it is available
  - Educating future leaders that may be assigned to N-NC

"ACADEMIC SUPPORT IS VITAL TO OUR SUCCESS"

NORAD & USNORTHCOM Joint Training & Education Day 12 June 2007

- **Purpose:**
  - Invitation - Provides the MECC and representatives with the opportunity for a N-NC Orientation
  - Provides an opportunity to pool information between professionals ensuring quality of courses taught on Homeland Defense (HLD) and Defense Support of Civil Authorities (DSCA)
  - Discuss actual and projected updates for courses the institution teaches on NORAD and USNORTHCOM
- **Who:** MECC & Designated Reps
- **Where:** HQ N-NC, Bldg 2, Training Room 4
- **When:** 12 June 2007
